Office of the Food Controller and

DIARY NO. 3234
Bangalore, 13th August 1919.

From
K. Matthan, Esq., B.A.,
Food Controller & Director
of Civil Supplies in Mysore.

To
C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Govt. of Mysore.

Sir,

With reference to your letter No.G.3303 of the 9th instant, calling for my opinion on certain points raised in the proceedings of the Bangalore District Food Committee Meeting held on the 26th ultimo, I have the honour to state that the decision that distribution of Burma rice should be generally through co-operative societies is in accordance with the existing orders and practice. In remote villages which are not within easy reach of co-operative societies, there is no objection to the distribution being entrusted to Village Committees provided they purchase the rice for cash and provided also that the Deputy Commissioner is satisfied that there is no scope for profiteering or for abuses in distribution.

The quantity of delta rice available is very small and generally speaking it cannot be made available for remote villages, but whatever is available is being supplied to co-operative societies that ask for the same.

I entirely agree in the opinion of the committee that no credit should be allowed. My instructions are strict on this point.

I have the honour to be,
Sir,
Your most obedient servant,

Food Controller & Director
of Civil Supplies in Mysore.
